

Dear NSTEP Participant,

At U.S. Cellular®, we're known for treating our customers like neighbors, not numbers. You'll see it in the way we do business, how we invest in the communities where we live and work – and in our 16 conveniently located stores in eastern and central Nebraska, with one additional location in Iowa.

Here's what you'll find when you stop by a U.S. Cellular® store:

- Latest and greatest Smartphones with high HAC ratings
- Knowledgeable and friendly Associates who put your needs first
- Nationwide high-speed network coverage to keep you connected anywhere
- Monthly Device Workshops to help you get more out of your phone

We look forward to serving you soon at one of our stores listed on the following page. Appointments aren't required, so just stop by at your convenience with your voucher. Please note – only our corporate stores participate in the NSTEP program.

Best regards,
